Registration and Membership Details

The club now operate an online membership system provided by a company called LoveAdmin. This system streamlines our registration and membership processes and allows our limited number of dedicated coaches and volunteers to focus on adding value to the club rather than extra administration. It also helps with club management and to comply with Data Protection law.

This will take you to an online registration page to complete your personal details along with membership payment details, which can be either one annual payment or equal monthly payments. Both registration and payment details must be entered to complete the membership process. At the end of the process, you will be able to create an account in Love Admin to update details and review payments.
